“Deep ruby in color, 2017 Shadybrook Estate Cabernet Sauvignon is a luxurious wine with beautiful balance and complexity. This wine showcases aromatics of lilac, blackberries and mocha powder to pull you in. The palette starts out rich and juicy with notes of boysenberry preserves, hazelnut, and chocolate transitioning into long balanced tannins with exquisite texture. Sure to delight all Cabernet lovers, the 2017 vintage will age gracefully for years to come or can be enjoyed now with proper decanting.”

-Rudy Zuidema, Winemaker
