*“After a near perfect growing season, our 2017 Malbec is sure to be a standout. Overflowing with scents of fig, rhubarb, dark chocolate, and star anise, the aromatics are elegant and supple. A luscious and soft palate greets you with notes of fresh plum, mulberry and tobacco as well-balanced acidity and long tannins linger long past the last sip. With the beautiful growing season mixed with low yields, this wine will disappear before you know it!”*
