*“A beautiful rich purple-garnet hue, the 2019 Shadybrook Estate Malbec is lush and romantic from start to finish. Aromas of ripe plum, vanilla and acai berry are complemented with hints of spicy cedar, savory herbs and rose petals. The palate is brimming with notes of huckleberry, baking chocolate, black licorice chews and sweet tobacco as well-balanced acidity and long tannins linger long past the last sip. With the near perfect growing season mixed with low yields, this wine will disappear before you know it!”*
