*“The 2019 Shadybrook Estate Platine Blanc – Semillon is weighted yet bright showcasing the perfect integration between aging this wine in new French oak puncheon barrels and old neutral French oak barrels. The inviting aromatics of lychee, fresh apricot, and carnation lead to overflowing flavors of lemon bar, vanilla wafer, lemon grass and cinnamon with balanced acidity from start to finish. This wine is the perfect introduction to the warm spring weather and will pair perfectly with a scallop ceviche or oysters on a hot summer day.”*
